Sponsored by: 

### *Hudson's Bay BBQ Competition*

Well, DuPont, it's official, we are the largest KCBS sanctioned BBQ competition in the Pacific Northwest! Hats off to our friends at the American Legion and their incredible team of volunteers for bringing this fantastic event to our City. We are as proud as peacocks to stand by your side as we welcome residents, visitors, and the top BBQ chefs from around the region to our City **August 17<sup>th</sup> thru August 20<sup>th</sup>**. Visitors can look forward to an award-winning BBQ, wine and beer garden, children's activities, a car show, historical reenactments, and much more.

Details of this fun-filled weekend can be found here: [Events | DuPont, WA - Official Website \(dupontwa.gov\)](https://www.dupontwa.gov/Events)

### *Steak Benefit Dinner in the Park*

Help us kick off the **Annual Hudson Bay Day BBQ competition** by attending a benefit dinner for Parks & Recreation on **Friday, August 18<sup>th</sup>**, at Clocktower Park. Enjoy a steak dinner grilled to perfection by our BBQ chefs, live music, beer/wine, and a fabulous dessert bar. Tickets are just \$50, and all proceeds benefit the City of DuPont Parks & Recreation and the American Legion.

**Tickets can be purchased here:**

## CONCERT IN THE PARK

FEATURING  
**PSUEDOTRAMP**

A TRIBUTE TO THE MUSIC OF  
SUPERTRAMP!

**THURSDAY, AUGUST 3, 2023**

**CLOCKTOWER PARK -  
1400 PALISADE BLVD**

Arrive early to shop fresh fruits and  
vegetables at the Farmer's Market!

### Concert in the Park

"Take the Long Way Home" and swing by Clocktower Park on **Thursday, August 3**, for our Concert in the Park featuring **PseudoTramp**, the only Supertramp tribute band in the country. Fans from across the state will be gathering at Clocktower Park to enjoy this much-anticipated concert, which begins at 7 PM sharp. Be sure to come early to shop for fresh fruits and vegetables at the DuPont Farmers Market!

<https://www.pseudotramp.com/biography>

[Concerts in the Park | DuPont, WA - Official Website \(dupontwa.gov\)](#)

### Come to the Farmers Market!

The next Farmers Market will be August 3rd at Clocktower Park. Residents and visitors are invited to enjoy fresh fruits & vegetables, flowers, cheese, local artists, and much more.  
Can't wait to see you!

Thursday's 3:00 - 7:00 PM  
June 1 - August 17, 2023  
Clocktower Park  
Upcoming Market Dates:  
August 3, 10, 17

### Do you love our City? Well, we do too!

For a limited time, this summer, signs celebrating your favorite City will be available at the Farmers Market and during our 4<sup>th</sup> of July celebration for just \$20.00 plus tax. These signs go quickly and will be available under the yellow Parks & Recreation tent. All proceeds support City of DuPont Parks & Recreation. Thank you for your support!

### 7th Annual Mayor's Cup

Golfers across the state are invited to play in the 7th Annual Waste Connections Mayor's Cup on Friday, August 4, at The Home Course. Cities are invited to send a team to represent their city to bring the cup home. Players must work or live in the same city to be eligible to play. The cost to participate is \$95 and includes breakfast, tee prizes, 18 holes, a cart, lunch, and prizes.

Raffle tickets to support the Boys & Girls Club are available on-site for purchase. If you or your business would like a booth or table on a hole, please contact Amy Walker at (253) 405-9698 today.

Registration information can be found here:

## I-5, Mounts Rd. to Steilacoom-DuPont Rd. - Corridor Improvements

**DuPont residents, please see the information below as it could affect travel times this summer!**

The WSDOT contractor has started the geotechnical investigation for the I-5, Mounts Rd. to Steilacoom-DuPont Rd. - Corridor Improvements Project.

**WSDOT Project overview (from website):** to relieve chronic traffic congestion and improve mobility along I-5 in the vicinity of Joint Base Lewis-McChord, WSDOT will rebuild the interchange of Steilacoom-DuPont Road (Exit 119) and adding HOV lanes to I-5. This will support congestion relief on I-5 during peak traffic periods while maintaining access to neighboring communities and JBLM. The new interchange includes grade separation of the roadway over the railroad. Construction is expected to begin in late summer 2023. Travelers will see shifted lanes, overnight lane and ramp closures, reduced speed limit in work zones, and potentially short and long-term ramp closures.

This project could affect your commute at times and bike routes, so please check WSDOT's website at the link below for the latest project updates. WSDOT contact information for this project can be found at the link below and then clicking on the contact tab towards the bottom of the webpage. Please be advised that a new bike route will take effect on August 1, 2023. More information will be forthcoming.

For more information please visit: [I-5 - Mounts Rd. to Steilacoom-DuPont Rd. - Corridor Improvements | WSDOT \(wa.gov\)](#).

### Shower Better With WaterSense

A perfect example of how saving water saves energy, WaterSense labeled showerheads allow consumers to enjoy a satisfying shower while saving water, energy, and money. By replacing just one showerhead with a WaterSense labeled model, the average family can save the amount of water that it takes to wash 88 loads of laundry and conserve enough energy to power a home for 11 days every year!

**Why waste...**

2,700 GALLONS of water

11 DAYS of energy to power your home

\$70 per YEAR

ShowerBetter

EPA

## Drops to Watts: Saving Water Saves Energy and Money

With climate change concerns, pervasive droughts, and high energy prices across the country, nearly everyone is looking for ways to conserve resources and cut costs. By looking for the U.S. Environmental Protection Agency's (EPA's) WaterSense® label, your family can use less water, energy, and money while ensuring product performance.

Many Americans know about the importance of saving energy and water. But few know about the drops to watts connection—that it takes energy to pump, heat, treat, and deliver the water we use every day. We turn on the bathroom lights and the shower without realizing how closely related water and energy are to each other.

### Did You Know?

If every home in the United States replaced existing showerheads with WaterSense labeled models, we could save more than \$5.4 billion in water and energy costs across the country annually!

On average, the annual energy used to deliver and treat water for only 10 households could power a refrigerator for six years. In some areas of the country, that estimate is very low. Heating water for showering, bathing, shaving, cooking, and cleaning also requires a considerable amount of energy. Homes with electric water heaters, for example, spend one-fourth of their total electric bills just to heat water.

### How Can We Start Saving?

One of the simplest ways to save both water and energy is to install water-efficient products. WaterSense labeled products not only save water, but can help reduce your energy bills. Installing WaterSense labeled faucet aerators in your bathrooms, for example, costs just a few dollars but could save you enough electricity to dry your hair every day for a year!

You can choose from thousands of models of WaterSense labeled plumbing products. What's more, you can be sure the products will not only save resources, but will perform well. All WaterSense labeled products are tested and independently certified to ensure they meet EPA's criteria for both efficiency and performance.

### Did You Know?

It also takes water to create energy. Vast amounts of water are used to cool the power plants that generate electricity. In fact, it takes 3,000 to 6,000 gallons of water to power a 60-watt incandescent bulb for 12 hours per day over the course of a year!

Start saving both water and energy! Look for WaterSense labeled products and ENERGY STAR® qualified appliances that use water. For more information, visit [www.epa.gov/watersense](http://www.epa.gov/watersense).

## CITYWIDE YARD SALE!

## Saturday, August 5

As a reminder, this is not a city sponsored event. Residents are responsible for their own advertising and must take their signs down after the sale.

# City News

**The City Council held two special meetings on Tuesday, July 18 and Tuesday, July 25 to discuss long-range strategic planning and priorities for 2025-2044.**

Department heads presented long-range planning ideas related to each department.

The following are some highlights of the strategic planning sessions:

**City Mission and Vision Statements:** The current Mission Statement, “To provide high quality municipal services that are affordable, accessible, and encourages maximum participation” was presented and no changes were made.

**Review of Last Strategic Plan:** Topics were reviewed from the last Strategic Planning meetings, held on March 22 and 24, 2022.

**Discussion Items:** The Community Center, cleanup of Old Fort Lake, nuisance vehicles, traffic, supporting a Chamber of Commerce, recreational events, awarding LTAC funds, marketing, community outreach, electronic signage for City use, Park Impact Fees, the Parks Master Plan, Steilacoom Historical School District facility usage, and permit fees.

**Long-range ideas were reviewed:** Build out surrounding Old Fort Lake subarea and Patriot's Landing, redevelopment of State Farm building, population increase, support of new residential units, and supporting additional city employment.

**Long-Range planning presentations related to each department:**

City Administrator

City Attorney

Community Relations / City Clerk

Human Resources / Risk

Finance/IT/Central Services

## FACTS

## Safety Message – Escape Planning

Plan Ahead! If a fire breaks out in your home, you may have only a few minutes to get out safely once the smoke alarm sounds. Everyone needs to know what to do and where to go if there is a fire.

### IF THE ALARM SOUNDS...

- » If the smoke alarm sounds, GET OUT AND STAY OUT. Never go back inside for people or pets.
- » If you have to escape through smoke, GET LOW AND GO under the smoke to your way out.
- » CALL the fire department from outside your home.

Your Source for SAFETY Information  
NFPA Public Education Division • 1 Batterymarch Park, Quincy, MA 02169

### SAFETY TIPS

- » MAKE a home escape plan. Draw a map of your home showing all doors and windows. Discuss the plan with everyone in your home.
- » KNOW at least two ways out of every room, if possible. Make sure all doors and windows leading outside open easily.
- » HAVE an outside meeting place (like a tree, light pole or mailbox) a safe distance from the home where everyone should meet.
- » PRACTICE your home fire drill at night and during the day with everyone in your home, twice a year.
- » PRACTICE using different ways out.
- » TEACH children how to escape on their own in case you can't help them.
- » CLOSE doors behind you as you leave.

- ❗ A closed door may slow the spread of smoke, heat, and fire. Install smoke alarms inside every sleeping room and outside each separate sleeping area. Install alarms on every level of the home. Smoke alarms should be interconnected. When one smoke alarm sounds, they all sound.
- ❗ According to an NFPA survey, only **one of every three** American households have actually developed and practiced a home fire escape plan.
- ❗ While **71%** of Americans have an escape plan in case of a fire, only **47%** of those have practiced it.
- ❗ **One-third** of American households who made an estimate thought they would have at least 6 minutes before a fire in their home would become life-threatening. The time available is often less. And only **8%** said their first thought on hearing a smoke alarm would be to get out!
